

Data: Venerdì 18 Aprile 2008, 11:35

Dear Madam,

our administration will contact you for payment details (by the way they are correct). I am responsible for the medical details only. Since we fixed a tentative date of admission for the 30th of April I need to know soon if you want this date. We have a waiting list. I understand that this is just a diagnostic date. We have not scheduled an operation yet. Is that correct?

Sincerely

A.Eicken

PD Dr.Andreas Eicken
